

RING SIZE GUIDE (INDIA)

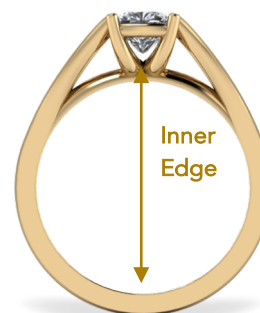

Printing instructions:

Before giving the print command please ensure that your Print Scale is not set to scale or shrink, the scale should be 100%. Once you have printed, please verify with a ruler that the printed sample below is exactly 5.1 cm or 51 mm.

How to use the PJRV Ring Size Guide?

1. Verify scale of the printout as per the above printed sample.
2. Place one of your pre-owned rings (preferably a band or else a normal ring) over the Ring Size Chart given below.
3. Please ensure that the inner circle is in line with the boundary of the Ring Size Chart. The Reference Circle that matches the inner circle of your pre-owned ring accurately that should be your ring size.
4. To cross verify you could accurately draw out the inner circle of your pre-owned ring on a sheet of paper, do ensure that your pen or pencil is accurately touching the edges of the inner circle of your ring.
5. After drawing out the circle, place a ruler in the center of the circle and measure it end to end. The reading can be compared with the pre-drawn Ring Size reference circles given below to give you your Ring Size.
